

# Saving the environment Saving money

**LG qualifies for the  
government Tax Credit**

Thanks to the American Recovery and Reinvestment Act of 2009, homeowners may now be able to claim 30% of the installed cost in tax credits up to a maximum of \$1,500 for qualifying energy efficient home improvements placed in service between January 1<sup>st</sup>, 2009 and December 31<sup>st</sup>, 2010.

Ask your LG Distributor  
for the qualified systems.

- Single Zone
- Dual Zone
- Tri Zone

Note: Some homeowner income guidelines may apply. Please consult your tax advisor for eligibility requirements.
