

# Massive Turnout at Johnstone Supply in Pensacola

Johnstone Supply of Pensacola recently experienced the pleasant surprise with over three hundred contractors and friends at their Annual Open House. As the pictures on this page attest, it was quite an event. Chet's Seafood of Pensacola was called on for the catering and word must have traveled fast as the parking lot filled up early on this day.

In addition to a great seafood lunch the attendees were treated to a mini trade show in the warehouse complete with door prizes. Vendors for the trade show included: Keith Holland – Leone-Green, Larry Clark – PED Associates – Uniweld, Blair Carter- Crown Products, Rick Streaker – Packard Inc., Casey Hardy – Ragan & Associates, Josee Osborne – Sanuvox, Rolland Hedstrom – Rectorseal-Grasslin – Pro 1, Don Collins – Goodman Mfg., John Forbes – SMI, William Hayes – Nu Calgon, Jesse Potts - Style Crest, Mike Kerrigan – Invensys, Michael Hollis – UEI, and Belinda Pitman – NSPA. Congratulations to Ron, Brad, Gary and the entire Johnstone Supply crew for a great effort again this year!
